Location

Call to Order: The first Chapter meeting of 2025 was called to order by President Stremmel at 8:17.

President's/VP's Report: President Stremmel welcomed all members and thanked them for their attendance at the preceding 2025 Rules Interpretation Meeting. The regular Chapter meeting then moved on as scheduled. (No VP report tonight.)

Corresponding Secretary's Report: Ginger greeted everyone and then welcomed our four newest officials-Laura Duquette, Joe & Brooklyn Harper, and Ainsley Schwab. All four members have extensive track and field experience, either through participation, coaching, or both. We are happy to have them join us. Ginger also announced that she will be sending out a request for all members to supply her with an emergency contact name/number. All information will be kept confidential.

Treasurer's Report: Skip reported the current treasury balance to be \$2260.58. The majority of officials submitted their annual dues, \$25.00 to Skip this evening. As a reminder to all, late dues payments will be subject to an additional \$5.00 fee.

Assignor/Arbiter Updates: Larry Moser reviewed the process of assigning for the 2025 Spring T & F season. This season has seen the largest number of dual meets to date. Round One of assignments has been completed. Round Two will commence shortly. Larry reminded officials about blocking dates that they are unavailable on Arbiter. The Mid-Penn Conference assignments will be coming out in the next 2-3 weeks. Officials also need to make certain that their liability insurance is up to date. A list of Mid-Penn AD's will be sent out via email to all officials within a few days. Officials should contact AD's directly with any questions about specific meets/details prior to the scheduled date. Larry also commented briefly about scheduling/blocking on Arbiter for the DBE group.

Presentation #1 : Brad Cashman & Cherie Ramsey-

Cherie quickly reviewed the presentation material presented at tonight's 2025 Rules Interpretation Meeting, highlighting 2025 NFHS T & F, CC Rules Book Changes. That information is available on the 4 page handout from tonight's meeting. Included with that information is a copy of the revised PIAA Pole Vault Verification Form.

Cherie then covered the 6 situations presented from the 2025 NFHS Case Book. Those situations are listed as Part I on the handout for tonight's 1st Chapter meeting.

Brad then stepped up to cover the other 6 play situations presented from the 2025 NFHS Case Book. Those situations are listed as Part II on the handout for tonight's 1st Chapter meeting.

“YOU MAKE the CALL”—Not supplied for the first meeting.

Old Business: None this evening.

New Business: President Stremmel informed the Chapter that a ZOOM program was purchased for the use of the Chapter.

Issues/Items from the Floor: President Stremmel quickly checked with those officials responsible for assigning for several invitation meets. Bill Owens is working on the Bruce Dallas and Stan Morgan meets. Gary Bricker is still in need of a few officials for the Pan Ram meet and asked for interested officials to check with him after tonight's meeting.

Adjournment: Tonight's meeting was adjourned at 9:07 PM.

Next Meeting: Our next Chapter meeting will be via Zoom on Sunday, March 16th starting at 6:00 PM.
